Work History

Development

Internal Project in YMCA, Faridabad

- I have worked on an internal Project name Flight Ticket Booking System where i have used HTML, CSS, Java, sql-server and optimized the code for better usability and scalability. This Project gave me end to end project development knowledge and while working on this project i have faced many issues which helped me to increase my debugging skills.

Education

2018-06 - 2021-06

BCA
YMCA - Faridabad
